

September 2018

Dear VR Parents and Families,

As a reminder we will be having our Open House on Thursday, September 27th. It will begin at 6:30p.m. in your child's classroom. We will have three sessions so you will be able to visit multiple classrooms. Classroom teachers will make their presentations during each of the sessions. I encourage you to take the time to visit all of your child's teachers. This will be an opportunity for you to meet your child's teachers, to learn about the classroom expectations, and to understand the curriculum that will be covered throughout the year. Please understand that the teachers will not be able to conference with you about your child's progress during Open House. I would encourage you to set up an appointment if you would like to learn more about your child's progress.

Your attendance is important because your support is instrumental to the success of your child. I would prefer that children not attend Open House so parents are better able to focus on the important information being presented. If you need to bring your child, please be sure that they are under your direct supervision throughout the evening.

This year, we will have our AIS Reading and Math teachers presenting in the LGI Room, 7:30-7:55. The LGI Room is located across from the HS Gym near the Auditorium. The teachers will be presenting important information about the services that they provide to a number of our students in the areas math and reading.

Additional Information:

- Special Area Teachers: Art, Music, Library, and Physical Education will be located in the library for you to visit. Our speech specialists will also be in the library.
- ENL/ESL teachers will be presenting in room E304.
- Mr. Lorette will be in the VR Computer Lab for any parents who need assistance registering for the parent portal.
- The PTA will be providing refreshments in the HS Cafeteria.
- There will be a number of community informational tables located in the main area outside of the HS Cafeteria for you to visit.

Session 1 6:30-6:55 Session 2 7:00-7:25 Session 3 7:30-7:55

I hope to see you on the 27th, and thank you for your continued support!

Best regards,

Jeffrey M. Palmer
