

A Note from the Health Office

Parents and Guardians,

We hope everyone is staying healthy and enjoying their summer. With the start of school quickly approaching, we would like to get communication out to parents and guardians pertaining to medication drop off. Due to the recent COVID guidelines and restrictions, parents will not be able to enter the Health Office to bring their child's medications to the Nurse. Therefore, we will have set dates for this process.

Monday August 24 12:00pm-3:00pm

Tuesday August 25, 3:00pm-6:00pm

Wednesday August 26, 9:00am-12:00pm

Thursday August 27, 3:00pm-6:00pm

These times mimic the same days and times as ChromeBook pickups to hopefully minimize people having to come to the school for multiple trips. There are NOT specific time or day slots for specific grades.

If your child requires medication to be at the school but you are not able to drop off during these dates, please call to make an appointment. Should you also like to take this opportunity to ask the nurses any questions or address any concerns you may have, you can do so! Thank you for all of your continued support and we will see you in the Fall!

Athena Rozowicz, RN

Tammy Slingerland, RN
