

September 2021

Dear VR Parents and Families,

As a reminder, we will be having our Open House on Thursday, September 30<sup>th</sup>. In an effort to minimize exposure in school, this year's Open House will be virtual. Your child's teacher(s) will be sending out Google Meet invitation links to participate. The meetings will be set up to run 6:00 p.m. to 7:30 p.m. Each classroom teacher will plan on making three presentations, so you will be able to see multiple presentations during the evening if you have students in different classrooms. The starting times for the presentations will be at about 6:00, 6:30, and 7:00. In order to participate, please click on the link and join. Since there will be a number of parents participating, please join the meeting muted.

Although this experience will be virtual, it will be an excellent opportunity for you to meet your child's teachers, to learn about their classroom expectations, and to understand the curriculum that will be covered throughout the year. Please understand that the teachers will not be able to conference with you about your child's individual progress during this Open House. I would encourage you to set up a time to talk with your child's teacher if you would like to learn more about your child's specific progress.

Your attendance is important because your support is instrumental to the success of your child. AIS teachers, special area teachers, ENL teachers, and other support teachers will be holding meetings as well. As the date approaches, I plan on sending out one document that contains all of the meeting links to make it easier to take part in the evening. Please reach out to your child's teacher if you have any questions.

Sincerely,

Jeffrey M. Palmer  
Principal
